Dear Potential Digital Research OEM:

Thank you for your recent inquiry regarding the licensing of our products for distribution with your hardware.

Digital Research now offers the most complete line of compatible systems software available. Review our systems and languages; CP/M® , MP/M II^{T.M.}, CP/NET^{T.M.}, CBASIC® , PASCAL/MT+^{T.M.}, and PL/I-80^{T.M.}, are all recognized leaders in the field.

Enclosed please find, for your review, a sample OEM Royalty Agreement and Price List, as well as brochures describing our complete product line.

Please feel free to contact the Digital Research Marketing Group, at (408) 649-3896, should you have questions on licensing Digital Research software or on our product line.
